It looks good to me. Just make sure contractual documents align their "work described" with this text.

I want to meet Ropeik when I get to STL on 16 Dec mid-afternoon. Please work with him and our CAG crew so that we get to STL airport about same time: I'm thinking that CAG crew in GOV can pick up him and met at airport and we can ride together to CAG; then stay at same hotel; then CAG crew can drive back to R7 in GOV next morning after dropping us at STL airport so Ropeik and I can fly back that same morning. Julie will coordinate travel arrangements with Ropeik and CAG crew.

Here's a rough draft for your review/tweaks.
